CALEDONIA

The years come and go and next Thursday brings around our national Thanksgiving day when turkey and pumpkin pies will be served to hundreds of tables the world over. It is a day of family reunions and the spirit of good cheer for others. With material helpfulness to give it a hearing of good faith to the farmer this day should be the crowning day of the year. His season of toil began in February, when the sunshine took on its purple tone intensified by the smoke from the burning grass and brush and log heaps in the farmers new ground. In March, when the black birds were singing the farmer planted his corn and he toiled through the spring and hot summer up to the brilliant autumn into the gray November, when his harvest is finished. And all things are ready for the day that revives tender memories and strengthens old loves and brings to memory childhood happy days. Let's one and all of the readers of the Dispatch remember Thursday and give thanks for a day that so blesses life. Land still continues to sell and buy-

ers are plentiful. Mr. G. W. Myers sold 135 acres of timber land last week to Mr. R. E. Harden of Columbus, for the sum of \$1550.

There has been a number of changes in Caledonia during the past week. Mr. J. F. Spann has moved to the L. D. Barrentine cottage. Mr. R. W. Egger is in the house formerly occupied by Dr. J. C. Pritchett. Mr. John Ridging is in Mr. R. W. Egger's house. Mr. G. C. Andrews and family are welcomed as citizens; they have moved to Mr. Jeff Andrew's farm, one mile from Caledonia. There will be other changes in the near future.

The many friends of Mrs. S. L. Daniel will be sorry to learn that she is quite sick. Hope for her a speedy recovery.

Mr. Jessie Reeves, a well to do farmer of Monroe county, killed an eagle last week that measured 7-1-2 feet from tip to tip of its wings and 4-3-4 feet from its bill to the tip of its tail. Mr. Reeves took several shots to bring his little bird to the ground.

Mr. G. C. Andrews spent Monday in Columbus.

The following from Caledonia motored to Aberdeen Wednesday to attend the opening exercises of the North Mississippi Methodist Conference: Mrs. W. W. Hartefeld, Messrs. S. A. Dale, C. V. Ussery, Dr. B. Owen and Dr. E. M. Jamison. There was over two hundred ministers answered to roll call, with others to come that afternoon. The conference was ably presided over by Bishop J. C. Kilgo of Charlotte, N. C. This was the fiftieth annual session.

It is hoped that Rev. W. W. Hartefeld will be returned to the Caledonia circuit for another year as he is loved and respected by all the different denominations and all will be glad to welcome him back on this work.

There is a bumper crop of sweet potatoes and ribbon cane syrup. The finest ever made in this section. Reports are coming in from different sections of remarkable yields of sweet potatoes. There is no trouble to find in any potato patch, big yellow yams weighing from 5 to 7 1-2 pounds each. With all the above good eats the farmer can turn up his nose at the Mr. Speculator's old dirty sugar that will not make good hog feed. The good cooks of distinction are making cakes out of syrup and molasses that are good enough to put on the king's table.

Everybody and the cook went over to Auburn Friday to the Roberson big show. Some went to take the children and some to pay their tax. However, all took in the show and had a grand time.

HOW DOCTORS TREAT COLDS AND THE FLU

First Step in Treatment is a Brisk Purgative With Calotabs, The Purified and Refined Calomel Tablets that Are Nauseless, Safe And Sure

Doctors have found by experience that no medicine for colds and influenza can be depended upon for full effectiveness until the liver is made thoroughly active. That is why the first step in this treatment is the new, nausealess calomel tablet, called Calotabs, and which are free from the sickening and weakening effects of the old style calomel. Doctors also point out the fact that an active liver may go a long way towards preventing influenza and is one of the most important factors in enabling the patient to successfully withstand an attack and ward off pneumonia. One Calotab on the tongue at bedtime, with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine, with a hearty appetite for breakfast. Druggists sell Calotabs only in original sealed packages, price thirty-five cents. Your money will be cheerfully refunded if you do not find them delightful. (Adv.)
